

BIG CREEK TOWNSHIP
SPECIAL MEETING
October 27, 2014
BIG CREEK TOWNSHIP HALL

PRESENT: Booth, McGregor, Mitchell, Mundt
ABSENT: Avery

Meeting called to order 6:00 p.m.

Winning bidder for roof work at Luzerne Fire Dept. was Harker Remodeling. The bidder from Harker requested the down payment be made to him personally (Jerome Appel). After checking into the situation, the Board finds Harker Remodeling has no builder's license, and the Workmen's Comp. insurance rider provided had no builder's name and no insurance company name on the paper.

There is a question whether the alternate bidder could complete the project because it's so late in the season.

Mitchell/McGregor to rebid the Luzerne Fire Dept. roof job in the early spring. All Ayes.
Motion carried.

There is some furnace & chimney work that needs to be done, and can be completed prior to the roof replacement. Booth will attempt to obtain bids for the November meeting.

Meeting adjourned 6:34 p.m.

Rhonda Mundt, Clerk
